Woman Sends for Relief

To have a suitable laxative, one which she knows will prove effective be easy to take and guaranteed pure, Mrs. Peter Velma of North Charleston, S. C., sent up North. She says: "I have great faith in Dr. True's Elixir, the True Family Laxative and Worm Expeller and have been using it for over ten years. I send for it to my old home at Oxford, Me."

"That is only one of many endorsements and reasons why you too should use Dr. True's Elixir—a pure herbs compound just suited to the needs of men, women and children to keep stomach and bowels in normal condition."

Used for over 70 years. This shows what a good, well-established product it is. 40c—60c—\$1.20. Advertise—ment.

Word has been received by Mrs. James Colvin of the death of Miss Gertrude Hoctor, daughter of M. F. Hoctor, at their home in Poughkeepsie. Miss Hoctor was well known in Bennington and has many acquaintances here to mourn her death.

M. J. Barrington, the local contractor, is busy laying a new concrete sidewalk on the south side of East Main street from the Bennington box factory to the corner of Union street. The old asphalt walk has been removed and the new work is progressing rapidly.

The condition of Mrs. Mortimer Stratton, who slipped and fell down stairs last Friday at her home on Safford street, is slowly improving. Mrs. Stratton had been working in one of the bed rooms and started to descend to the lower floor. Whether she slipped or caught her dress she does not know, but lost her footing and fell to the bottom, striking her head severely enough to render her unconscious. Some one in the house heard the noise and hurried to her aid. Mrs. Stratton suffered painful injuries to her back and neck and it is probable that she will be confined to her bed for some time.
